Your Punctuality Honours God

Preparing for Battle

Hi everyone, this is Michael, Prayer IC for Alpha@Shekinah.

When we decided to embark on Alpha Everywhere - a campaign for winning souls. for Christ - the enemy also commenced it's war against us. Some of us may have experienced more problems in our daily lives lately. Over the past week, 2 of my family members were hit by unusual health issues that initially caused some alarm, but whose symptoms have now subsided. My would-have-been invitee to the cny service last Sunday, was also hijacked by a sudden illness that hit his grandson at the eleventh hour.

Then there's baby Elijah, brother Willy and Ps Dominic whom we have all been fervently praying for.

Perhaps you too have experienced or witnessed an increase in trials. Big or small, these are signs that we need to pray, petition and intercede for lost souls, our church, ourselves.

Prayer Pointers:

1. Continue to pray for healing in those who are unwell.
2. Covering and protection over the various aspects of our and each others' lives - work, family, emotions, relationships.
3. Protection over pre-believers whom we have intentions to invite or have already invited, and those whom God has yet to reveal to us.
4. God to place in us the mindset and heart of wanting to win souls for Christ.

The "earthquakes and tsunamis" in our daily grind are often evidence that we're engaged in a spiritual battle that can only be fought with spiritual weapons. So let us put on the full armour of God as we advance into enemy territory and the gates of hades will not prevail against us!

Scripture:

Do nothing out of selfish ambition or vain conceit. Rather, in humility value others above yourselves, not looking to your own interests but each of you to the interests of the others.

- **Philippians 2:3-4**

Observation:

My recent honeymoon trip to Northern Europe has taught me many good lessons. One of the lessons is to look into the interests of others which brought me back to the verse Philippians 2:3-4, seeing how the people (Finnish) live it out. I was told by one of the local guides that their people operate by trust. I cannot fully buy the idea of that because I didn't experience it yet.

- If you drop/lost your belongings somewhere, you can be almost certain that you can find it back.
- If somebody sees you drop something that you are not aware, he/she will pick that up and return to you.
- Because the roads are very slippery, everyone drives patiently. I don't remember hearing horns.

Application:

I will practice the spirit of looking into the interests of others to be different from the world who teaches "help yourself first".

Prayer:

It is only difficult when comes to practicing Your teachings. So God, have mercy on me when I'm being put to the test. Amen.
