Camp Testimonies

The image of a huge, sturdy anchor has been indelibly etched in the minds of all who attended the Shekinah Church Camp 2019, from 14-17 June. Themed 'Unshakable Hope', the highly anticipated event was held at Impiana Hotel in Johor Bahru. Everyone was pleasantly amazed at the size of the hall that gave us much freedom of movement for worship – not to mention that the kids had a field day running, tumbling and rolling over the carpet!

This year's event took on a somewhat less instructional approach as we embraced Reverend Phillip Deas' coaching style (who incidentally was a football coach earlier in his life). His highly inspirational sessions urged us not to give in to our fears and disappointments but instead fix our eyes on Jesus. It was a refreshing experience especially with the challenges, trials and losses that we had faced earlier in the year.

"My biggest takeaway is learning how to guard, strengthen and renew my mind," says Rev Tan Hock Cheng, Senior Pastor. "I can deepen my self-awareness by asking if a thought is a friend or a foe – each respectively a sword that either fights for my future or robs me from receiving God's blessing."

As the worship leaders led the corporate worship sessions, everyone felt the intensity of the Holy Spirit's presence. The songs of praise were closely accompanied by sisters Grace Yin and Sani, who wielded banners that added to the spiritual atmosphere. During the men's session, Reverend Phillip expounded on the Power of Reset, the ability to repeatedly 'bounce back' quickly after each failure or setback in life.

Our brother Nigel was unfortunately hospitalised on day one, with the resurgence of a chronic health condition. Yet, through the fervent and united prayer of church members, he recovered sufficiently to join us the next day. Spiritual warfare was certainly evident, but so was the power of prayer!

Our upcoming generation of leaders put up a show of professionalism on the last night, taking charge of the programme during the BBQ dinner. There was never a dull moment as Brother Jonah revealed his gift of the gab, emceeding the session with lively humour and gusto.

Before the curtains closed, camp attendees shared testimonies about how God had touched their lives through the messages and workshops. Sister Audrey won the hearts of all by sharing her defeats, brokenness and ultimate victories – a courageous sister indeed. She has set her heart on serving the Lord and is now getting prepped up for bible school!

This is the first camp for our family, since officially merging with Shekinah AG. It gave us a great opportunity to bond with other church members through the group activities and meal times. Through the coaching sessions, we learnt that we have an Unshakable Hope in Jesus Christ, from whom we draw strength to face the future. This hope is firm, secure and serves as an anchor for our souls.

As my family is going through a season of change, this timely message has encouraged and assured us to trust God and stretch our faith. Even my 6-year old daughter was touched and told us that she now “believes more confidently in Jesus and His miracles”. My entire family was very blessed by this camp and we thank God for His goodness.

The church camp provided me with practical lessons on living a wholesome life mentally, emotionally and spiritually. It taught me to change my thoughts and belief system by reaffirming my identity as a child of God, through meditating on His word. I have also learnt to place my hope in Jesus in dealing with fears of the unknown, when God calls me out of my comfort zone.

- **Esmel**

My daughter Estacia used to be afraid of being alone and constantly felt that she was being watched wherever she went. Praise God that that fear has since left her after the camp and she now knows that she can say ‘NO’ to the devil. Hallelujah! Special thanks to teachers Lorita and Anna.
