Your Punctuality Honours God

Prayer Update On Camelia

Beloved Friends,

Time flies. It's been 6 months since Camelia began her cancer-fighting journey.

We would like to sincerely thank you for your constant love, support, encouragement, and most of all your prayers, during this extraordinary season of our lives. We appreciate each of you dearly and we value your friendship immensely.

Camelia has since fully completed the 16 cycles of chemotherapy, as prescribed by her oncologist, and we thank the Lord for sustaining her throughout this journey. Although she has experienced some side effects, she remains remarkably resilient. She has been eating mostly home-cooked meals lovingly prepared by various church friends and so her appetite remains very good. We do regular walks at the Botanic Gardens each week, and she's been able to keep to her new daily routine without stress. The Lord gave her a good boss and asked her to go back to office whenever her energy level permits.

Doctors have told us that, overall, Camelia has responded well to the treatment. The tumor has shrunk, and the ultrasound scan did not show any indication of cancer in the lymph nodes. Nonetheless, she is still required to go for surgery, scheduled on this coming Tuesday (10 March) morning.

We would greatly appreciate you praying and standing together with us as Camelia begins this next phase of her treatment. Pray with us that the Lord would give the surgical team (led by both Dr. Mikael Hartman and Dr. Jane Lim) sharp minds, calm hearts and steady hands. Pray for God's peace and protection upon Camelia throughout the anesthesia. Pray for a smooth and successful surgery, free from any side effects and complications.

Most of all, pray with us that the Lord, in His divine mercy and grace, will intervene to remove the cancer cells in her body completely. The desired results would be to see a total absence of cancer in her body. We are entrusting her into the hands of her Creator, her Abba Father, to heal and to restore her completely back to health. With God's help and your prayers, Camelia will beat this cancer!

"I will not die but live, and will proclaim what the LORD has done."
Psalm 118:17

P/s: I'll be on leave from church starting from 10 March. During my absence (likely a few weeks), the Church Board will stand in to lead the church. Thank you in advance for your understanding, prayer and support.

With much appreciation,
Hock Cheng & Camelia

CHARACTER

Contributed by Estrella

Scripture:

Not only so, but we also glory in our sufferings, because we know that sufferings produces perseverance. Perseverance, character and character hope. - **Romans 5:3~4**

Observation:

- There's Glory in our sufferings.
- There's Hope in our sufferings as well.

Application:

As long as I remain faithful and trust to God fully no matter how difficult the situation may be, I'm sure that my endurance and perseverance yield a great reward.

Prayer:

Heavenly Father, I thank you for the courage and strengths you bestowed upon me. May you continue to guide me and keep me under your protections that I may be always away from anything that lead me to destruction, In Jesus name, Amen.

PRAISING GOD WHO DELIVERS US

2 Chronicles 20:15-19

He said: "Listen, King Jehoshaphat and all who live in Judah and Jerusalem! This is what the Lord says to you: 'Do not be afraid or discouraged because of this vast army. For the battle is not yours, but God's... You will not have to fight this battle. Take up your positions; stand firm and see the deliverance the Lord will give you, Judah and Jerusalem. Do not be afraid; do not be discouraged. Go out to face them tomorrow, and the Lord will be with you.'"

Jehoshaphat bowed down with his face to the ground, and all the people of Judah and Jerusalem fell down in worship before the Lord. Then some Levites from the Kohathites and Korahites stood up and praised the Lord, the God of Israel, with a very loud voice.

Pray for every church and believer to

- Lift an anthem of praise to God
- Praise God for the victory over COVID-19
- Declare God as their banner and victory

Pray for healthcare professionals to have

- Strength as they work tirelessly to treat patients
- Protection against the virus
- Rest and be refreshed in body, mind, and spirit
