Your Punctuality Honours God

Learning Fest: Apologetics Made Simple

What a joyful celebration we had last Sunday!

Praise God for the very encouraging response from our unchurched friends and relatives in this event. I believe that every seed planted never go wasted. As a dear brother correctly said, “for some who may only attend (last Sunday’s) event, it might be their only chance to hear this love message and experience God’s touch in their lives.”

We are living in perilous times today, and for followers of Jesus, there has never been a more important time to know what we believe, why we believe, and how to share our faith with an increasingly skeptical – and lost – world. The apostle Peter urges us to “set apart the Messiah as Lord in your hearts, and always be ready to give a defense to anyone who asks you for a reason for the hope that is in you” (1 Peter 3:15).

To this end, I’m excited to introduce you the upcoming **“Learning Fest”** on the topic, **“Apologetics Made Simple: How to Help Seekers and Skeptics Find Faith”**.

Date: Oct 22 & 29 (Sundays)

Time: 10.30am (Part 1) & 1.30pm (Part 2)

This interactive workshop is designed for all of us who want to be better equipped to share their faith to their friends and relatives. Our hope is to empower you to confidently engage in earnest conversations with those who have honest questions about the Christian faith, for example:

- In this scientific age, is it reasonable to believe God exists?
- How do I talk with my kids about faith?
- Hasn’t the Bible been changed over time?
- How do I have tough conversations about faith?

If you’re a Christian and often wondered about these questions, then this Learning Fest is for you. Or if you’re a seeker looking for the Christian perspective, this interactive workshop is also for you.

Our speaker is Pastor Apelles Poh, a marketplace pastor who is actively engaged in coaching, mentoring and counseling for the past two decades. Over the years, Apelles’ reputation as a fun, engaging, thought-provoking, motivational speaker and trainer gives him regional acclaim. He has spoken and trained for organisations in Singapore, Malaysia, Hong Kong, Thailand, Philippines, China and India.

Let’s take this opportunity to bring a friend. See you there!

Spare The Rod And Spoil The Child

Contributed by Bro Jimmy

Scripture:

- Proverbs 29:15 - A rod and a reprimand impart wisdom, but a child left undisciplined disgraces its mother.
- Proverbs 29:17 - Discipline your children, and they will give you peace; they will bring you the delights you desire.

Observation:

Loving our children is natural and an instinct to man. Even animals love their young by providing their food and protection. But sometimes, we parents commit the mistake of over loving and over protecting them. We succumb to the whims and demands of our kids without even bothering to monitor how they behave in school and in the neighbourhood. Quarrel of the kids sometimes become a quarrel of the adults.

Application:

Discipline a child while he is still young. And most importantly, they have to be inculcated with Christian values especially the love of God and love of others.

Prayer:

Lord Almighty father, thank you for loving us by reminding us to be a good steward. Help us to become a mirror of discipline to our children in order for them to grow and to be a better person in the community and in your kingdom. In Jesus name, Amen.
